RESPONDENT’S PROFFER ON AWARD OF COMPENSATION

On May 14, 2019, petitioner filed a petition seeking compensation under the Vaccine Act for Guillain-Barre Syndrome (GBS) that he claimed occurred within the Table timeframe following a flu vaccine. On October 15, 2019, respondent conceded that entitlement to compensation was appropriate under the terms of the Vaccine Act. Thereafter, on December 20, 2019, the Special Master issued a Ruling on Entitlement, finding that petitioner was entitled to vaccine compensation for a GBS Table injury.

I. Items of Compensation

Based upon the evidence of record, respondent proffers that petitioner should be awarded \$84,265.00. The award is comprised of the following: \$83,500.00 for pain and suffering and \$765.00 in past unreimbursed medical expenses. This amount represents all elements of compensation to which petitioner is entitled under 42 U.S.C. § 300aa-15(a). Petitioner agrees.

II. Form of the Award

The parties recommend that compensation provided to petitioner should be made through a lump sum payment of **\$84,265.00**, in the form of a check payable to petitioner. Petitioner agrees. Petitioner is a competent adult. Evidence of guardianship is not required in this case.
